Motivation to Participate

How did you learn about this program?

What was your motivation for applying for Doing Good Well?

Community Involvement

Please describe any significant social, school-related, religious and neighborhood projects and programs, highlighting your volunteer and Jewish community activities.

Applications are due no later than February 8, 2007.
Selected candidates will be notified on Monday, February 12th.

Expectations

What are you hoping to gain from this experience?

Why is social justice/social action/*tikkun olam* (repairing the world) important to you?

What do you feel you can contribute as a participant, to the Berkeley, Cal and Hillel community?

Project Ideas

The project component of the program requires self-imitative. While we will be fully supportive in helping you come up with a Doing Good Well project, we encourage all participants to start thinking of ideas early on.

To date, do you have a vested interest in a particular area (fair trade, working with children, AIDS awareness, etc.)? Furthermore, do you have any vision of what your Doing Good Well project might look like?

(Note: You do not need to have a project idea in mind already, and will not be penalized for responding “no”).

Program Agreements

I agree to participate in 3 orientation sessions (between February 15-March 23). YES NO
